

REMARKS

In response to the Official Action dated 8/16/2005, the above-identified application has been amended. Review and reconsideration are requested in view of the above amendments and following remarks.

Due to the last action being final, Applicant has amended the claims accordingly and cancelled the claims asserted to be not allowable in their present form. Cancellation of the claims is done for the purpose of furthering the prosecution of the existing claims and not to be an admission as to their non-allowability. Applicant appreciates the indication of allowance of claims 4, 6 and 8 and these claims have been allowed. This is intended to be complete response to the Official Action dated 8/16/2005 (wherein the action due date fell on a weekend and today is within the 2 month period).

Respectfully submitted,

R. William Graham, 33891

Certificate of Transmission
